

A Yes, \$188.00.

Q \$188.00. Now, you have a joint account

A The checking account is in my name too.

Q The joint checking account in the Farmers & Mechanics Bank is \$188.00?

A Yes.

Q There is another joint savings account in your name and Mr. Smith's name in the Farmers & Mechanics Bank?

A Yes.

Q How much is in that account?

A That is \$6,000.00.

Q \$6,000.00. Now, how much Social Security monthly payments does he get?

A He gets \$58.20.

Q \$58.20. Now, approximately how much does it cost to keep Mr. Smith in the Frederick Convalescent Center?

A Well, last month it was \$453.00.

Q Last month. How much is it a week? You pay by the month?

A Yes, ^{I pay} /by the month.

Q How much is it a month?

A \$453.00 and so many cents.

Q \$450.00 and so much a month?

A Yes, sometimes it could be a little bit more account of the drugs.

Court: Is he in such shape that he will probably never get out?

A That is what they say; the doctors say he will never get out.

Fout: Is he able to walk?

A No, not at all. They have to lift him around and put him in a wheel-chair; something like that. No power of his own - he can only use one arm.

Q Mr. Smith has no children?

A That is right.

Q And you are

A I am a stepdaughter.

Q And Mrs. Ilgenfritz, the other Committee, she is

A A niece.
